

**Division of Water Resource Management  
Bureau of Water Facilities Regulation  
Industrial Wastewater Section**

**ADVERTISEMENT – Internal Agency Opportunity  
\*\*Vacancy\*\***

**Engineering Specialist I  
Position #: 37020109**

The **Industrial Wastewater Section** in the Bureau of Water Facilities Regulation is accepting applications for a full-time career service status **Engineering Specialist I** position.

**Summary of Duties:**

The position provides technical and regulatory assistance to district offices and regulated industries, and implements special projects under the direction of a Professional Engineer Supervisor. Specific duties include:

- assisting in the development and implementation of rules and guidance policies for generic permits and individual permits in various industry categories,
- review of draft permits for technical quality and consistency with Department and EPA requirements,
- engineering research, field inspections, and coordination with districts, industry, and other agencies on engineering and permitting aspects of industrial wastewater facilities.

**Knowledge, Skills, and Abilities include:**

**ESSENTIAL**

- Knowledge of fundamental engineering concepts and principles
- Ability to communicate information effectively both verbally and in writing
- Ability to plan, organize and coordinate work assignments
- Ability to analyze, interpret and apply engineering data
- Ability to establish and maintain effective professional working relationships with others
- Ability to travel and inspect industrial facilities
- Knowledge of concepts, terminology, principal, and analytical techniques of environmental engineering.

**PREFERRED**

- Knowledge in industrial wastewater treatment processes is desirable but not required.

**Position Requirements:**

Bachelor's degree with a major in an area of engineering. Preferably the selected candidate will have a degree in environmental, chemical, or civil engineering.

**Position Location:** Bob Martinez Center, 2600 Blair Stone Road, Tallahassee, Florida

**Annual salary:** \$34,501.48 (hiring at salary base)

**Advertisement Closing Date:** August 3, 2009 5 PM

**To apply submit a completed State of Florida Employment Application to:**

Tien-Shuenn Wu, Ph. D., P.E.  
Industrial Wastewater Section  
2600 Blair Stone Road  
MS #3545  
Tallahassee, FL 32399-2400
