

To Whom It May Concern:

As president of the Chinese American Scholars and Professionals Association of Florida (CASPAF), I am writing this letter to ask for your support and sponsorship for this year's conference and also invite you and your colleagues to join us at Disney's Coronado Springs Resort, Lake Buena Vista, FL.

This conference features Environmental Impact on Our Lives today. A discussion of healthcare and environment issues by top-notch doctors and scientific researchers from New York, Philadelphia, Taiwan and Orlando will offer their various perspectives. The table below is a brief summary of confirmed speakers. Full conference agenda will be updated on www.caspaf.org.

As a sponsor of the conference, your organization has the opportunity to communicate its message to hundreds of academic scholars, college presidents, deans, directors, faculty and entrepreneurs from a variety of professionals, who can benefit from the services or products your company offers. Don't miss this extraordinary chance to position your company with this prestigious community of national and international scholars and industry professionals. The levels of sponsorship are outlined below.

Thank you again for your interest and we are looking forward to your sponsorship and participation.
