

## **Biography of Wen Y Chung**

**Wen Chung is president of Chung Associates, Inc in Sarasota, Florida where he has engaged in land development design and development business for more than 30 years. His project ranged from a small subdivision of about 10 acres to almost 400 acres single family residential community subdivision and other commercial and industrial subdivisions, also built a number of mid-size shopping centers and luxurious residential condominiums. He successfully designed and built more than 100 projects in central Florida area. His business practice has earned a good reputation in his community for his honesty, integrity and friendship with people.**

**A love of his homeland in Taiwan is always in his mind. A few years ago, he set up a leadership scholarship for undergraduate students and research assistantship for graduate students at his alma mater, Cheng-Kung University, in Tainan, Taiwan. He always has lots of energy to work with overseas Taiwanese communities to promote a good tie with people in Taiwan.**

**Wen Chung earned a bachelor's degree from Chen-Kung University in Tainan, a master's degree from University of Florida in Gainesville, Florida and a doctor's degree from Columbia University in New York, all in civil engineering.**

**Besides doing regular work in the office, his hobby includes gardening, exercise, good diet and making innovation on new construction materials and renewable energy in which he has patents issued and pending. He welcomes good friendship with people in our communities.**
